APPLICATION FOR BERTH (OCEAN VESSEL)

Gentlemen:

I, Master, hereby apply for loading berth at your Elevator, as soon as it is available for the following vessel:

Name of Vessel: Type:

Nationality: Port of Registry:

Registered tons: - Gross

- Net

In consideration of your permitting the above vessel to berth at your Elevator for the purpose of loading bulk, grain or other commodities, we hereby agree on behalf of the vessel's Owners and Charterers to abide by all rates, rules and regulations named in your current Elevator Tariff, all of which we acknowledge having taken communication of and, without restricting the generality of the foregoing, we undertake and agree that the berthing of the vessel at your Elevator will be free of risk and expense to you. On behalf of the vessel's Owners and Charterers we agree to indemnify you against and hold you harmless from any and all damages whatsoever which may be caused to your facilities or any of them by the vessel and in like manner to indemnify you against and hold you harmless from any and all claims of any nature whatsoever arising from damages which may be sustained by the vessel during berthing or unberthing. We further agree to make prompt payment of invoices as presented, and, in accordance with the terms of said Tariff, we attach hereto two (2) copies of each certificate required. We further agree to deliver to Les Élévateurs des Trois-Rivières signed written evidence of the receipt on board of the grain or other commodities according to Les Élévateurs des Trois-Rivières Description and Tally (i.e. "Mate's Receipt"). All charges shall constitute a lien against the vessel until paid. We further certify that the vessel has been entered at the Canadian Customs House.

We agree that our signature upon this Application shall constitute a contract between you and the Owners and Charterers of the vessel such that the latter shall be bound by the terms hereof and, without restriction, to comply with all the charges, rules and regulations set out in your current Tariff.
